

## **PSALM 16**

ONE Sabbath peace and health be with you!

**ALL And also with you!**

ONE Let us pray: Protect us, God;  
You are the shelter we need.

**ALL Everything good we have comes only through You.**

ONE You are our portion, our cup,  
the sustainer of our destiny.

**ALL We're Your children and joy is our inheritance;  
Your sanctuary is where we feel most at home.**

ONE We bless You, God, because You give us wisdom;  
even when our hearts are troubled in sleepless nights,  
You are present in our deepest thoughts.

**ALL You are before us and beside us,  
so we will not stumble.**

ONE Our hearts celebrate and our breath beats with joy!  
Our bodies are completely safe in You.

**ALL You'll never abandon us to death;  
we will never dwell in darkness.**

ONE Teach us Your way of life!

**ALL Joy overflows in Your presence;  
beautiful things are in Your right hand  
forever and evermore! Amen!**
