

PSALM 46

ONE Sabbath peace and health be with you!

ALL And also with you!

ONE Let us pray: God, You're our refuge and strength;
when we're in trouble You're always right there with us.

**ALL We will not fear when the world falls apart,
when the glaciers melt into the seas,
when the ground beneath us shakes and roars.**

ONE There is a river whose streams fill Your city with joy;
we've seen Your footsteps along the river banks.

ALL You are in this city. Our community will never crumble!

ONE Your help comes like sunrise after the longest night.

**ALL Nations roar, governments fail,
but when Your voice speaks
the whole earth trembles in awe!**

ONE You are always with us;
we are forever safe with You.

**ALL We marvel at Your works:
ending conflict, breaking bows,
shattering spears, burning down the war machine!**

ONE We will be still and know that You are God.

**ALL In this humble stillness we'll find hope
that You are exalted through all nations of the world!**

ONE God of Heavenly Forces, You are always with us.

ALL We are forever safe with You. AMEN.
